Guidelines

- Please respect social distancing
- We will be operating a one-way system
- A face covering/ mask must be worn
- On entering the building you will be asked to sanitise your hands and your temperature will be taken
- If you have any symptoms of COVID please DO NOT attend your appointment
- We ask that you come alone unless you need support
- Strict time slots will be adhered to, so please arrive at your given time

We ask that you are prepared with your arm uncovered ready for the clinician to vaccinate at the time of your appointment
