

Virtual Placement for Pre-registration Medical & Non-Medical Learners

ARE YOU PASSIONATE ABOUT PRIMARY CARE?

WOULD YOU LIKE TO JOIN OUR TEAM IN DEVELOPING AN INNOVATIVE VIRTUAL PLACEMENT EXPERIENCE?

Lancashire & South Cumbria Primary Care Training Hub are developing a 2-week virtual placement for all pre-registration medical and non-medical learners

AIMS OF THE VIRTUAL PLACEMENT

To provide a quality learning experience for all learners

To ensure more learners are exposed to an experience within Primary Care

To support workforce recruitment - empowering learners to choose a career in Primary care once qualified

To support the growth of knowledge and understanding of the services provided by Primary Care teams

BENEFITS OF SUPPORTING

Supports revalidation and is evidence to support your education in clinical practice

Supports towards your career development

Utilising your wealth of knowledge and expertise to educate and develop the future workforce

We are looking for volunteers from **all roles** to support the development of the Virtual Placement. This will include creation and delivery of sessions, real-life case studies, patient experience, clinical experience and knowledge

We will be focusing on the following topics:

- ✓ Dementia
- ✓ Baby, Child and Adolescence
- ✓ Health & Wellbeing
- ✓ Past, Present and the Future of Primary Care
- ✓ All roles within Primary Care (clinical and non-clinical)
- ✓ Equality, Diversity and Inclusion
- ✓ Governance
- ✓ Digital innovation and delivery for the placement overall
- ✓ Safeguarding
- ✓ Mental Health
- ✓ Learning Disability and Autism
- ✓ Health Screening
- ✓ Health Promotion
- ✓ Cancer Care
- ✓ Heart Failure
- ✓ Diabetes

How to Get Involved

If you would like to be involved and be part of this innovative project, please complete the MS Form [here](#) or scan the QR Code

We are looking for people who would like to share their experiences of being a patient accessing GP services

We would like you to share your story of living with a healthcare condition for the benefit of healthcare learners

Lancashire & South Cumbria Primary Care Training Hub are developing a 2-week online/virtual placement for all pre-registration medical and non-medical learners
This can be delivered through a pre recorded video clip or joining a live online/virtual session with the learners and facilitators

BENEFITS OF YOU SUPPORTING US WILL BE

Providing your perspective of the care you received in Primary Care for your healthcare condition

Influencing the development of the future generation of healthcare staff. Providing an opportunity for learners to gain a deeper understanding from real life experiences

Providing a real life insight into living with a healthcare condition

We will be focusing on the following topics:

- ✓ Dementia
- ✓ Baby, Child and Adolescence
- ✓ Mental Health including Anxiety and Depression
- ✓ Learning Disability and Autism
- ✓ Health Screening including bowel, breast and cervical
- ✓ Respiratory Conditions
- ✓ Cancer Care
- ✓ Diabetes
- ✓ Eating Disorders
- ✓ Substance Misuse
- ✓ Menopause Experiences
- ✓ Weight Management
- ✓ Cares Experience
- ✓ Respiratory Conditions
- ✓ Healthcare for the Armed Forces
- ✓ Heart Conditions

AIMS OF THE ONLINE/VIRTUAL PLACEMENT

To provide a quality learning experience for all learners

To ensure more learners are exposed to an experience within Primary Care

To support workforce recruitment - empowering learners to choose a career in Primary care once qualified

To support the growth of knowledge and understanding of the services provided by Primary Care teams
